SUPPLIER NOTICE OPERATING UNDER FRESHCARE GUIDELINES

By way of this notice, we wish to acknowledge the requirements and guidelines for the food safety and quality management in the fresh produce supply chain operating under the Freshcare Code of Practice Food Safety and Quality Standard.

South Pacific Seeds wishes to confirm that it abides by these requirements for the supply of its vegetable seed products for propagation by way of the following but not limited to:

- Ensuring the packaging material and the seed product is free of physical contaminants
- Provide healthy and disease-free products
- Labels include all required information and update appropriately
- The product is processed and stored under industry standard conditions
- Proper documentation system allowing complete batch traceability
- Documented system for product recall
- Risk assessment and hazard analysis to identify, evaluate and control hazards
- Advise if product contains or has been in contact with know allergens, including:
 - Cereals containing gluten and their products, namely wheat, rye, barley, oats, spelt their hybridized strains
 - Crustacea and their products
 - Eggs and egg products
 - Fish and fish products
 - Peanuts and soybeans and their products
 - Milk and milk products
 - Tree nuts, sesame seeds and their products
 - Added sulphites in concentrations of 10mg/kg or more
- When entering a site, abide by food safety instructions when handling produce or entering growing, storage and packing areas

Furthermore, South Pacific Seeds holds valid Certificate of Currencies for Workers Compensation.
